

The public enterprise for services to the persons 'Beata Lucia di Narni' is seeking to establish links for the purpose of cooperating in the social field

Our organization is actively involved in Umbria Region (Italy) in individual activities that aim to contribute to guarantee the citizenship rights and it is keen on expanding its partnership working. Our services including the following areas:

- Day-care for alone women and children
- Motherhood and childhood support centre
- Social accompaniment in the fields of instruction, employment, health, law
- Intercultural mediation
- Professional training
- Services to immigrants and refugees
- Volunteers activity

We are searching for partners to cooperate, to exchange experiences and to bid for funding from the European Commission's **Progress, DAPHNE III, AAL, Youth, Leonardo** Programmes.

If any organization of your region would be interested, do not hesitate to contact

Mr. Franco Marini - Director
